Subject: Transfer of Notice of Intention, Small Mining Operations, Rocanville Corporation, Black Rock Mine, S/027/088, Millard County, Utah

Dear Mr. Hamilton:

On June 30, 2004, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Black Rock small mining project located in the E1/2 NE1/4 NE1/4 SW1/4 Section 33, Township 23 South, Range 10 West, Millard County, Utah from Rocanville Wing Joint Venture to Rocanville Corporation. When we received this transfer, our records did not show a "Black Rock" mine, but the file number on the transfer form was S/027/088, which we had listed as "Rich Gulch." It was later discovered that when the BLM denied the Rich Gulch notice, back in year 2000, you submitted a new/revised notice to the BLM for an adjacent area, which you referred to as Black Rock. The Division was unaware of the name change and amended the new/revised notice to the Rich Gulch file (thus the file number remained the same). We have now changed our records for the mine name from Rich Gulch to Black Rock.

We were unable to finalize this transfer until a reclamation surety was posted for the site. On August 13, 2004, we received a copy of a \$9,000 Certificate of Deposit posted as reclamation surety for this site made payable to the Bureau of Land Management. The Division acknowledges and accepts the amount of the reclamation surety for this site.

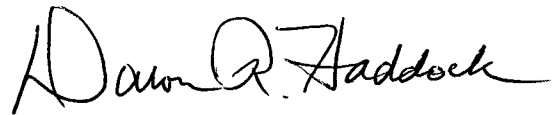

The Division Director signed and executed the transfer document on August 18, 2004, *which effectively transfers the responsibility of this mining operation and reclamation to Rocanville Corporation.* A copy of the executed transfer form and Certificate of Deposit is enclosed for your files.

Please be aware that fees for this site in the amount of \$150.00 are due and payable to the Division no later than August 30, 2004 (refer to August 10<sup>th</sup> letter). You should also be aware that you must satisfy the BLM requirements in making this change in ownership as well. We will forward a copy of the executed transfer form along with this letter to them for their records.

Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5325. Best of luck with your mining ventures.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock". The signature is fluid and cursive, with the first name "Daron" and last name "Haddock" clearly legible.

### DIVISION APPROVAL CERTIFICATION

This is to certify that I have examined this application for transfer of the aforementioned small mining operation and do hereby grant approval of the same, subject to the following limitations:

- (a) This transfer of small mining permit grants only the right to affect the lands as legally described in this application.
- (b) The transferee, or such other person as required by UCA 1953, Title 40-8, as amended, has acquired the legal right to enter and mine the lands as described in this application.
- (c) A topographic map of suitable scale is attached (as Appendix "A") which clearly outlines and labels the existing disturbed area boundaries through the date of this transfer.

COMMENTS:

*this site was formally known as "Rich Gulch".  
the file name only has been changed - now "Black Rock".*
